Rugged mobile printing

whatever the conditions

RJ-4230B

Reliable Connectivity

This model provides multiple connectivity options for use in different environments, with USB, Bluetooth (low energy) with MFI capabilities.

Robust Design

The RJ-4230B is our toughest yet, with an IP54 rating and drop tested up to 2.1 metres, providing the ultimate in durability.

Easy to deploy

Using the new mobile app, update your printer remotely from any location.

Easy to use

The LCD screen with menu options make it easy to program, and the backlight ensures you can see it in dark conditions.

Seamless Integration

Printer drivers are available for Windows OS, and software development kits can be downloaded to support Android and iOS operating systems.

Customisation

We have a wide range of accessories made to suit any environment.

Our RJ-4230B mobile printer is fast, compact and extremely rugged. It empowers workers to operate in any environment with speed, accuracy and efficiency.

It has built-in Bluetooth connectivity, printing up to 4" receipts, quotes, tickets, invoices and labels on demand.
