High speed wired & wireless network desktop scanner

For businesses requiring a flexible scanner that can be placed anywhere in the office. The ADS-2800W offers both wired and wireless connectivity, so that it can be placed where it's most convenient to you.

ADS-2800W

Key Features:

- Fast 2-sided scanning and advanced image processing
- Double sided scan speeds up to 40 pages per minute
- Create one-touch shortcuts on the 9.3cm touchscreen
- 50-sheet Automatic Document Feeder (ADF) supporting mixed media including A4, plastic ID cards and receipts
- Zero-touch Auto Scan Start option
- A range of connectivity options including wired network, wireless network and Hi-Speed USB 2.0
- Scan directly to USB host
- Simple secure login with 4-digit PIN
- Driver compatibility with TWAIN, ISIS, SANE, WIA and ICA
- Certified for use with document capture experts Kofax
- Includes ABBYY FineReader Sprint software

Connect to the entire office with wired or wireless network

Offering flexible network capability, the wired and wireless Brother ADS-2800W desktop scanner enables documents to be scanned directly to a network folder location, so that documents can be shared across teams and departments with ease.

9.3cm touchscreen for easy one-touch scanning

Everyday scan jobs and frequently scan-to destinations can be pre-configured for effortless scanning, saving time and reducing errors. Up to 48 one-touch shortcuts can be created on the colour touchscreen to scan to PC, web, network, SFTP, email server, SharePoint, Apps, WS Scan and USB Host

Process mixed media with professional results

Whether it's 2-sided A4 contracts, expense receipts, plastic ID cards or extra-long paper, you can easily output scans as searchable PDF, email attachments or even scan directly to USB flash drives.

Robust yet desktop friendly

The Brother ADS-2800W is ideal in a busy office space. Its desktop friendly size and robust nature makes this scanner a great choice for both back-office use and customer-facing environments.

Software for Windows® [3,4]

**iPrint&Scan for Windows®
desktop**
Easy to use scan software
from Brother offering advanced
image processing

Nuance® PaperPort SE 14
Document management &
sharing program

**ABBYY® FineReader Sprint
v.12**
Converts scan documents into
editable formats eliminating the
need to retype

ABBYY® PDF Transformer+
Read, comment, edit and
protect PDF documents
with ease

Remote Set-up
Allows the user to set-up the
scanner from their PC

Software for macOS [3,4]

iPrint&Scan for macOS
Easy to use scan software from
Brother

**ABBYY® FineReader Sprint
v.12**
Converts scan documents into
editable formats eliminating the
need to retype

Remote Set-up
Allows the user to set-up the
scanner from their PC

Scanner Functions

Supported File Formats
Including PDF (single, multi, archive, searchable, secure, signed), JPEG, TIFF (single, multi), XPS

Direct Scan
Scan directly to a USB flash memory drive

Standard Functions
Scan to USB, E-mail, OCR, Image & File

Scan to Network Folder (SMB)
Scan documents to a nominated folder on your network without using a Windows PC

Scan to SFTP/FTP
Scan documents directly to a SFTP/FTP server

Scan to Searchable PDF[4]
Scan documents to searchable PDF files

Scan to SharePoint
Scan document directly to SharePoint

Windows® Web Services Scanning
Scan direct (Windows® 7 onwards) without needing to install a scanner driver

Scan Profiles[10]
Create up to 10 preset network or S/FTP profiles for an easy way to store multiple scan settings

Auto Deskew
The process of straightening an image that has been scanned at a slight angle

Detect End of Page[9]
Detect end of page and automatically adjusts page size when the length of the document is shorter than the document size selected

Auto Image Rotation[9]
Documents can be scanned in any orientation, automatically changing the direction of the document based on the text orientation

Document Separation
Create scanned files based on a specific number of single sided images or sheets of paper, even if more documents are set on the ADF

Background Processing[9]
Smooth and remove unwanted colours, creases or shadows from a scan image

Edge fill[4,9]
Determines area and colour of the image frame

Skip Blank Page
Set the detection level for ignoring any blank pages in your documents by not scanning them

Margin Setting
You can specify margin size around each side of the scanned image

Greyscale, B&W Level Adjustment
When images are difficult to view due to colour density, images can be set lighter or darker as required using a custom value

Auto Colour Tone Adjustment[4]
Sets colour image quality for Brightness, Contrast, Gamma

Colour Drop[4,9]
Allows you to drop any hue of the red, blue, or green colour in your scanned image

Edge Emphasis[9]
Increase text definition and density to make it easier to read

Noise Reduction[4]
Remove marks and ink blots for a sharp and crisp image

Removed Ruled Line[4,9]
Removes vertical and/or horizontal lines of a specified length from a page

Punch Hole Removal[4,9]
Produce clean page borders by removing punch hole marks from the scanned image

Auto Start Scan
To reduce the amount of time it takes to perform a specific repetitive scan job

B&W Inversion[4]
Create a black and white inverted version of the scanned image file

Character Correction[4,9]
Increase text definition and density to make it easier to read

Carrier Sheet Mode[4]
Supports scanning of up to A3 (fold) documents.

Plastic Card Mode[4]
Allows the scanning of plastic cards such as drivers licenses and insurance cards

Multi-feed Detection
Paper protection that reduces the risk of damaging documents during scanning

Single Page Scan[4]
Feed one page at a time from the ADF even if more documents are set on ADF

Continuous Scan
Continues to scan using the same settings when additional pages are added in the ADF

1 to 2 Scan[4,9]
Splitting a page back into single image files with one image per file

2 to 1 Scan[4,9]
Save two-sided documents into a single-page image file

Barcode Detection[4,9,13]
Barcode detection allows multiple barcodes and types to be detected simultaneously. A specific barcode location, or type of barcode, can be specified by designating a search area for the barcode or searching by barcode type. To use this function an application that correspond TWAIN barcode detection protocol is required

JPEG Compression[4]
JPEG compression can help you change the data size of an image file

Paper Handling

Paper Input/Output
Up to 50 sheets[6]

Paper Size Multi[7]
Width 51 - 215.9mm,
Height 51 - 355.6mm

Long Paper Scanning[11]
5000mm

Paper Weight[1]
27gsm - 413gsm

Plastic Card Thickness
Up to 1.4mm

**Advanced Reverse
Roller System**
Manage incoming paper jobs
so only one sheet is processed
at a time for outstanding
reliability

Mobile and Web Connectivity

iPrint&Scan
Scan directly to a mobile device
running Android Operating
system, iOS, Windows® mobile
Operating System

Fleet Management Tools

Embedded Web Server
Web based scanner
management software
embedded onto the device

BRAdmin Professional[3,9]
Management tool that can
monitor your brother
network-connected products

Mass Deployment Tool[9]
Use of either a graphical or
command line interface
provides settings management
for both USB and network-
connected devices quickly
and easily

Security and Network

Wireless Network Security
WEP 64/128 bit, WPA-PSK (TKIP/AES),
WPA2-PSK (AES), SMTP-AUTH, SSL/TLS (HTTPS, SMTP), SNMP v3, 802.1x (LEAP, EAP-FAST, PEAP, EAP-TLS, EAP-TTLS), Kerberos, IPsec

Wireless Setup Support
Wi-Fi Protected Setup™ (WPS)

Secure Function Lock 3.0
Restrict access to individual or groups of users over a network. Can be used with PC user login

Active Directory/LDAP Authentication
Utilise existing infrastructure to restrict access to Brother devices using AD/LDAP. Staff can easily use their existing network login credentials to authenticate

IPv4
ARP, RARP, BOOTP, DHCP, APIPA(Auto IP), WINS/NetBIOS name resolution, DNS Resolver, mDNS, LLMNR responder, Custom Raw Port/Port9100, SMTP Client, FTP Client and Server, CIFS Client, SNMPv1/v2c/v3, HTTP/HTTPS server, TFTP client and server, ICMP, Web Services (Scan), SNTP Client

IPv6[13]
NDP, RA, DNS resolver, mDNS, LLMNR responder, Custom Raw, Port/Port9100, SMTP Client, FTP Client and Server, LDAP Client, CIFS Client, TELNET Server, SNMPv1/v2c/v3, HTTP/HTTPS server, TFTP client and server, ICMPv6, Web Services (Scan), SNTP Client

Setting Lock
Secures access to the devices control panel by locking it

Open Interface
Brother Solutions Interface (BSI) Enables the use of third party solutions and apps, to increase security and productivity

Wired Network Security
SMTP-AUTH, SSL/TLS (HTTPS, SMTP), SNMP v3, Kerberos, IPsec, 802.1x (EAP-MD5, EAP-FAST, PEAP, EAP-TLS, EAP-TTLS)

E-mail Notifications
Automatically have the device send an E-mail to a nominated E-mail address when it requires attention

E-mail Reports
Receive usage reports on a regular basis via e-mail

Communications

USB Input Port
Side USB port for use with external keyboard (Configurable in EWS)

Supplies and Accessories

Carton Contents
ADS machine, detachable ADF.
Power supply cord.
AC adapter.
USB 2.0 Cable.
User Guide.
Drivers and software set Windows® (DVD).
Quick setup guide.
Product safety guide.
Warranty

Roller Kit
Pick-up Roller, reverse Roller
Life - 200,000 sheets
Part Number - PRK-A2001

A3 Carrier Sheet
Life - 500 Times
Part Number - CS-A3001

Dimensions and Weights

With Carton
W 382 x D 254 x H 330 mm
EU version: 6.4kg

ISIS

1 For best performance it is recommended to use a carrier sheet for the following weights: 27-39 gsm
2 Maximum number of scanned pages per month can be used to compare designed durability between like Brother products.
   For maximum scanner life, it is best to choose a scanner with a duty cycle that far exceeds your scan requirements
3 Optional free download from the Brother Solutions Centre http://solutions.brother.com
4 All available with supplied software
5 Some options may require additional download or subscription
6 Capacity varies dependent on paper weight.
7 Document sizes larger than A4, but not exceeding A3, can be scanned (single-side) using carrier sheet
8 Must be web connected
9 Windows® only
10 Windows® & Mac® only
11 Can scan documents longer than A4 size. When using Brother (TWAIN/ISIS) to scan at 200 dpi, the maximum scanning length is 5,000 mm
12 Windows server support scanner driver only
13 Firmware updates that simply make your device work more efficiently may be needed. The latest firmware can be downloaded at:
