

P-touch CUBE Pro Labelling Machine

Print customised labels on-the-go

PT-E720BT

www.brother.eu

Print durable, industry-compliant labels on demand

The CUBE Pro labelling machine is compact, portable, and packed with features designed to make on-site labelling faster and easier than ever. With built-in Bluetooth, users can design and print labels on-demand directly from a smartphone or PC, and the lightweight design ensures ease-of-portability from one job to the next.

Compatible with Brother's range of Pro Tapes, its durable, industry-grade labels provide the reliability that professionals need in tough environments.

PT-E720BT

Key features:

- Print durable labels up to 24mm wide
- Print labels containing QR code, barcodes and logos
- Compatible with Brother's Pro Tape range – designed for industrial use with resistance to water, abrasion, chemicals and temperature extremes
- USB and Bluetooth connectivity
- Li-Ion rechargeable battery
- Lightweight and compact design
