

## Fabric requirements

Just like with normal appliqué, these designs can be made with fabric scraps. The largest piece of fabric you would need, is the full size of your hoop plus 1 inch, ie:

- 5 x 7 (130 x 180mm) hoop – the largest piece would be 6 x 8 inches
- 8 x 12 (200 x 300mm) hoop – the largest piece would be 9 x 13 inches.

Please find below the exact fabric dimensions for each frame size, if you prefer. You can swap out the colours to suit your colour scheme, or use this project as a scrap-buster and mix and max scraps from your stash pile.
