PR1055X Class 1: Quilting

PR1055X Class 1: Quilting

Overview:

Experience the New Entrepreneur Pro X PR1055X 10-needle machine starting with the informative overview highlighting top features and new accessories. Embroider along using the new quilt sashing patterns and the New Hoopnetic Magnetic Sash Frame optional accessory. Plus explore My Design Center's Decorative Fill capabilities and other machine features while embroidering the printed fabric panel. You can continue to embellish the panel for a one of a kind sample of the amazing PR1055X capabilities.

Class Highlights:

- **New** Cosmetic Review
- **New** Adjustments in settings pages
- **New** Embroidery Categories
- **New** Embroidery designs
- **New** Thread spool change notification
- **New** Notification of thread breaks
- **New** Built in WLAN
- **New** My Stitch Monitor App
- **New** Hoopnetic Magnetic Sash Frame (Item# PRMS360)
- **New** Quilt Block Sashing
- **New** in My Design Center

Embroidering Along?

If you plan to participate in the class session, please review the supplies list and complete any items noted as <u>Pre-work</u>. If you do not have the class material kit, you can gather your own kit items. See the included instructions to draw your own project panel at the end of this document.
