

XP2 Class 3: QuiltBroidery

QUILT  BROIDERY

XP2 Class 3: QuiltBroidery

Overview:

Do you know a quilter who wants to dabble in embroidery or an embroider who wants to try their hand at quilting? Join us to experience the power of QuiltBroidery features on the Luminaire 2 Innov-is XP2 perfect for all styles of hobbyist.

Embroider quilt sashing like never before to add beautiful hexagon sashing and two-color sashing to your quilt sandwich. These sash designs make quilting in the hoop better than ever with the XP2's Revolutionary StitchVision Technology and clear on-screen instructions. Embroider along using the new quilt sashing patterns and learn how to "slide" fabric on the New Hoopnetic Magnetic Sash Frame optional accessory for easy re-hooping and pattern connecting. You can continue to embellish the panel for a one of a kind sample of the amazing XP2 capabilities.
