Print, Copy & Scan

Striking inkjet colour printing plus accurate copying and high resolution scanning come together in one stylish package to make the DCP- J774DW a cleverly compact, true all-round machine, ideal for all your home/small office needs.

Connectivity

With wireless and mobile connectivity, the DCP-J774DW makes it easier to share your device and files with others. By using Brother Cloud Apps you can share and store your documents to your favourite cloud storage apps including EVERNOTE, Google Drive and OneNote.

Cost effective printing

With a choice of affordable standard or high yield ink for higher volume, you can maximise the cost effectiveness of your printing with the DCP-J774DW. Also, due to its 4-cartridge ink system (you only replace the empty cartridge) and auto 2-sided print function, you'll be spending less on ink and paper.
