

Professional A3 business inkjet range

Outstanding A3 colour printing without compromise

Our business inkjet range delivers superior A3 colour printing that packs a punch.

With low power consumption and emissions, you can be assured your carbon footprint is moving in the right direction, and with the latest MAXIDRIVE advanced print head technology and robust build quality, you can be confident your printer will keep on printing when you need it. With the large format device, easily print professionally finished banners, posters, panoramic photos and promotional signage without borders and automatically cut to the precise length you need.
