

Professional A3 inkjet wireless all-in-one printer range

Versatile, cost-effective and connected A3 printing & scanning

The office environment is continuously changing and the demand for a printer you can rely on is growing.

Not only is the ability to be Wi-Fi connected to multiple devices key, but you also need to print faster with the option to deliver documents in larger paper sizes. Customise how your printers work for your business with a choice of flexible, professional A3 devices that are built to last and meet the needs of your small office or business workgroup.
