

Quiet, Fast and Reliable

Exceptional mono laser printing

Brother's new quiet compact mono laser printer range comes with industry leading print speeds of up to 34 pages per minute.

Operating at the lowest decibel in class, enabling you to print quietly without compromising on speed or quality. Featuring a large 250 sheet paper tray and fast automatic 2-sided print as standard across the range, you can choose the model which best meets your needs.

Quiet, compact device.
