## A powerful devices offering high quality print, copy, scan and fax functionality.

There are many ways these robust, yet stylish machines will make your home-working life easier. Firstly, with large yield cartridges enabling you to print more pages, you don't need to replenish ink as often – therefore saving you money. Additionally, with several connectivity options you don't need to be at your desk to send a print job, or even check ink levels. On top of this, with fast print speeds and an easy to navigate colour LCD display, you're sure to work faster and better.

## Your home office business partner

Feature rich, full connected multifunction inkjet devices with low running costs.
