

Smart, stylish, compact

For vibrant, fully connected printing at home.

Big features from a small machine

This feature-rich device offers so much for the personal user. A wide range of connectivity options, including mobile compatibility, all housed in this stylish and compact shell.

You don't need to be nearby the machine to complete tasks. No matter where you are in the house, you can stay connected through wireless connectivity.

Offering print, copy, and scan functionality, automatic 2-sided printing, a 4.5cm colour touchscreen and an enclosed paper tray holding up to 150 A4 sheets.
