Professional A3 colour inkjet wireless printer

Produce high-quality, impactful documents up to A3 every time. With a large paper input capacity you can start printing straight away. Combining a first page print out time of under 5 seconds¹⁰, optional high yield cartridges offering a competitive cost per page and low power consumption, this printer is ideal for busy offices.

HL-J6010DW

Key features:

- Up to 30ipm print speed⁹
- Automatic 2-sided A3 and A4 print
- 6.8cm colour touchscreen
- Wired and wireless connectivity
- 2 x 250 sheet paper trays²
- 100 sheet multi-purpose tray²
- Print from USB
- NFC (Near-Field Communication) for secure authentication, mobile print
- Optional high-yield inks: BK 6000 pages & C/M/Y 5000 pages¹

Greener business printing

The HL-J6010DW is designed for businesses in search for an A3 printer with low energy consumption. It starts printing immediately without the need to preheat any internal components, therefore not only do you benefit from using less energy, but also exceptionally fast first page print out time of under 5 seconds¹⁰ and print speeds up to 30ipm⁹, all without compromising on premium print quality.

Keep printing for longer²

With a large paper input capacity of up to 500 sheets as standard, you don't need to spend as much time refilling the paper tray and can concentrate on your daily office tasks. The 100 sheet multi-purpose tray allows you to use versatile media options up to 220gsm and supports quick and cost effective A3 printing.

Ultra-fast, durable, precision printing

Through years of meticulous engineering design, our patented MAXIDRIVE print chip redefines printing technology. Ink droplets are ejected into 40 micrometer thick film generating pressure that travels through 1680 individual chambers across a single print chip, delivering ultra-fast, durable, precision printing.

Built to perform

With a host of business features and functions, the HL-J6010DW offers quick and secure printing directly from your mobile using Near-Field Communication (NFC). The 6.8cm colour touchscreen features an intelligent page gauge function allowing you to keep track of your ink level usage.

Cost efficient. Printing that looks after itself

Robust and built to last. Your inkjet printer is ready to set-up and use straight from the box and with the optional high-yield inks offering cost-efficient printing you will see the great value of your printer for years to come. For further support, consider letting us take care of your printing needs with a number of Managed Print Service (MPS) options offering automated supplies replenishment and break-fix services, reducing downtime and maximising productivity - for total peace of mind.
