Compact mono laser printer

The Brother HL-L2310D, is a quiet, compact mono laser printer, designed for busy home and small office use. This desktop friendly printer, provides crisp, high quality text quickly, and quietly.

HL-L2310D

Key Features:

- Fast print speeds of up to 30 pages per minute
- Automatic 2-sided print
- 250 sheet paper input
- Up to 700 page* inbox toner
- 32MB memory

Performance designed for businesses of tomorrow

Designed to be set-up and ready to use in minutes, the HL-L2310D comes with a host of time-saving features, with print speeds up to 30 pages per minute, ensuring that you are never waiting long for that important document.

With the large 250 sheet paper tray, you no longer need to refill the paper tray as regularly. Together with a manual feed slot, that can handle a wide variety of paper types, you can have flexibility and laser quality documents - all from one compact machine.

Maximum value for money

With cost being a key factor for many businesses, we've ensured that the HL-L2310D is cost-effective. Using our high yield toner cartridges, combined with automatic 2-sided printing can seriously reduce the cost of each print job.

Quiet without compromise

Print quietly without compromising on speed or quality, operating at the lowest decibel in class (under 50dB). The HL-L2310D, has been designed to sit on your desk, printing quietly at full speed while you work without interruption.

Designed to go the distance

Built to perform for longer. The HL-L2310D, has been designed with you in mind. Made from robust and hardwearing materials and supported by outstanding service as standard, providing the peace of mind that your printer will keep on going.

* Approx declared yield value in accordance with ISO/IEC 19752
