High performance wired & wireless network desktop scanner

The award winning Brother ADS-3600W desktop scanner is simple to set up, robust and reliable for uninterrupted professional scanning. Scan instantly using the 9.3cm colour touchscreen. This Kofax certified scanner also comes complete with a SuperSpeed USB 3.0 connection for fast data transfer.

ADS-3600W

Key Features:

- Fast 2-sided scanning and advanced image processing
- Double sided scan speeds up to 50 pages per minute
- Create one-touch shortcuts on the 9.3cm touchscreen
- 50-sheet Automatic Document Feeder (ADF) supporting mixed media including A4, plastic ID cards and receipts
- A range of connectivity options including wired network, wireless network and SuperSpeed USB 3.0
- Scan directly to USB host
- Simple secure login with NFC (Near-Field Communication)
- Driver compatibility with TWAIN, ISIS, SANE, WIA and ICA
- Certified for use with document capture experts Kofax
- Includes ABBYY FineReader Professional software

Connect to the entire office with wired or wireless network

Offering flexible network capability, the wired and wireless Brother ADS-3600W desktop scanner enables documents to be scanned directly to a network folder location, so that documents can be shared across teams and departments with ease.

9.3cm touchscreen for easy one-touch scanning

Everyday scan jobs and frequently scan-to destinations can be pre-configured for effortless scanning, saving time and reducing errors. Up to 48 one-touch shortcuts can be created on the colour touchscreen to scan to PC, web, network, SFTP, email server, SharePoint, Apps, WS Scan and USB Host.

Process mixed media with professional results

Whether it's 2-sided A4 contracts, expense receipts, plastic ID cards or extra-long paper, you can easily output scans as searchable PDF, email attachments or even scan directly to USB flash drives.

Robust yet desktop friendly

The Brother ADS-3600W is ideal in a busy office space. Its desktop friendly size and robust nature makes this scanner a great choice for both back-office use and customer-facing environments.

Converts scan documents into
editable formats eliminating the
need to retype

Remote Set-Up
Allows the user to set-up the
scanner from their Mac

Scanner Functions

Supported File Formats
Including PDF (single, multi, archive, searchable, secure, signed), JPEG, TIFF (single, multi), XPS

Direct Scan
Scan directly to a USB flash memory drive

Standard Functions
Scan to USB, E-mail, OCR, Image & File

Scan to Network Folder (SMB)
Scan documents to a nominated folder on your network without using a Windows PC

Scan to SFTP/FTP
Scan documents directly to a SFTP/FTP server

Scan to Searchable PDF[4]
Scan documents to searchable PDF files

Scan to SharePoint
Scan document directly to SharePoint

Windows® Web Services Scanning
Scan direct (Windows® 7 onwards) without needing to install a scanner driver

Scan Profiles[10]
Create up to 10 preset network or S/FTP profiles for an easy way to store multiple scan settings

Auto Deskew
The process of straightening an image that has been scanned at a slight angle

Detect End of Page[9]
Detect end of page and automatically adjusts page size when the length of the document is shorter than the document size selected

Auto Image Rotation[9]
Documents can be scanned in any orientation, automatically changing the direction of the document based on the text orientation

Background Processing[9]
Smooth and remove unwanted colours, creases or shadows from a scan image

Edge fill[4,9]
Determines area and colour of the image frame

Skip Blank Page
Set the detection level for ignoring any blank pages in your documents by not scanning them

Margin Setting
You can specify margin size around each side of the scanned image

Greyscale, B&W Level Adjustment
When images are difficult to view due to colour density, images can be set lighter or darker as required using a custom value

Auto Colour Tone Adjustment[4]
Sets colour image quality for Brightness, Contrast, Gamma

Colour Drop[9]
Allows you to drop any hue of the red, blue, or green colour in your scanned image

Edge Emphasis[9]
Increase text definition and density to make it easier to read

Noise Reduction[4]
Remove marks and ink blots for a sharp and crisp image

Removed Ruled Line[9]
Removes vertical and/or horizontal lines of a specified length from a page

Punch Hole Removal[9]
Produce clean page borders by removing punch hole marks from the scanned image

Character Correction[4,9]
Increase text definition and density to make it easier to read

Carrier Sheet Mode[4]
Supports scanning of up to A3 (fold) documents.

Plastic Card Mode[4]
Allows the scanning of plastic cards such as drivers licenses and insurance cards

Multi-feed Detection
Paper protection that reduces the risk of damaging documents during scanning

Single Page Scan[4]
Feed one page at a time from the ADF even if more documents are set on ADF

Auto Continuous Scan[4]
Continues to scan using the same settings when additional pages are added in the ADF

1 to 2 Scan[4,9]
Splitting a page back into single image files with one image per file

2 to 1 Scan[4,9]
Save two-sided documents into a single-page image file

Barcode Detection[4,9,13]
Barcode detection allows multiple barcodes and types to be detected simultaneously. A specific barcode location, or type of barcode, can be specified by designating a search area for the barcode or searching by barcode type. To use this function an application that correspond TWAIN barcode detection protocol is required.

Paper Handling

Paper Input/Output
Up to 50 sheets[6]

Paper Size Multi[7]
Width 51 - 215.9mm,
Height 51 - 355.6mm

Long Paper Scanning[11]
5000mm

Paper Weight[1]
27gsm - 413gsm

Plastic Card Thickness
Up to 1.4mm

Jam Sensor
Paper protection reduces the
risk of damaging documents
during scanning

**Advanced Reverse
Roller System**
Manage incoming
paper jobs so only one sheet
is processed at a time for
outstanding reliability

Mobile and Web Connectivity

iPrint&Scan
Scan directly to a mobile device
running Android Operating
system, iOS, Windows® mobile
Operating System

Security and Network

Network Protocols
TCP/IP (IPv4), TCP/IP (IPv6)

Wireless Network Security
WEP 64/128 bit, WPA-PSK (TKIP/AES),
WPA2-PSK (AES), SMTP-AUTH, SSL/TLS (HTTPS, SMTP), SNMP v3, 802.1x (LEAP, EAP-FAST, PEAP, EAP-TLS, EAP-TTLS), Kerberos, IPsec

Wireless Setup Support
Wi-Fi Protected Setup™ (WPS)

Secure Function Lock 3.0
Restrict access to individual or groups of users over a network. Can be used with PC user login

Active Directory Authentication
Control access to the device's functionality by using credentials from Active Directory

LDAP Authentication
Control access to the device's functionality using credentials from an LDAP supported database

IPv4
ARP, RARP, BOOTP, DHCP, APIPA(Auto IP), WINS/NetBIOS name resolution, DNS Resolver, mDNS, LLMNR responder, Custom Raw Port/Port9100, SMTP Client, FTP Client and Server, CIFS Client, SNMPv1/v2c/v3, HTTP/HTTPS server, TFTP client and server, ICMP, Web Services (Scan), SNTP Client

IPv6[13]
NDP, RA, DNS resolver, mDNS, LLMNR responder, Custom Raw, Port/Port9100, SMTP Client, FTP Client and Server, LDAP Client, CIFS Client, TELNET Server, SNMPv1/v2c/v3, HTTP/HTTPS server, TFTP client and server, ICMPv6, Web Services (Scan), SNTP Client

Settings Lock
Secures access to the devices control panel by locking it

Open Interface
Brother Solutions Interface (BSI) Enables the use of third party solutions and apps, to increase security and productivity

Wired Network Security
SMTP-AUTH, SSL/TLS (HTTPS, SMTP), SNMP v3, Kerberos, IPsec, 802.1x (EAP-MD5, EAP-FAST, PEAP, EAP-TLS, EAP-TTLS)

E-mail Notifications
Automatically have the device send an E-mail to a nominated E-mail address when it requires attention

E-mail Reports
Receive usage reports on a regular basis via e-mail

Yes

Certification

WHQL   **KOFAX**   **ISIS**

1   For best performance it is recommended to use a carrier sheet for the following weights: 27-39 gsm
2   Maximum number of scanned pages per month can be used to compare designed durability between like Brother products.
    For maximum scanner life, it is best to choose a scanner with a duty cycle that far exceeds your scan requirements
3   Optional free download from the Brother Solutions Centre http://solutions.brother.com
4   All available with supplied software
5   Some options may require additional download or subscription
6   Capacity varies dependent on paper weight.
7   Document sizes larger than A4, but not exceeding A3, can be scanned (single-side) using carrier sheet
8   Must be web connected
9   Windows® Only
10 Windows® & Mac® only
11 Can scan documents longer than A4 size. When using Brother (TWAIN/ISIS) to scan at 200 dpi, the maximum scanning length is 5,000 mm
12 Windows server support scanner driver only
13 With the latest firmware update. The latest firmware can be downloaded at: http://support.brother.com
    Without the latest firmware update the following are the default specifications:
    Power Consumption (Ready) - 4.9W
    Power Consumption (Sleep) - 2.9W
    Sound Power Level (Scanning) – 63.9dB
    Sound Pressure Level (Scanning) – 50dBA
    IPv6 not supported
    Barcode Detection not supported
