

Compact Connectivity

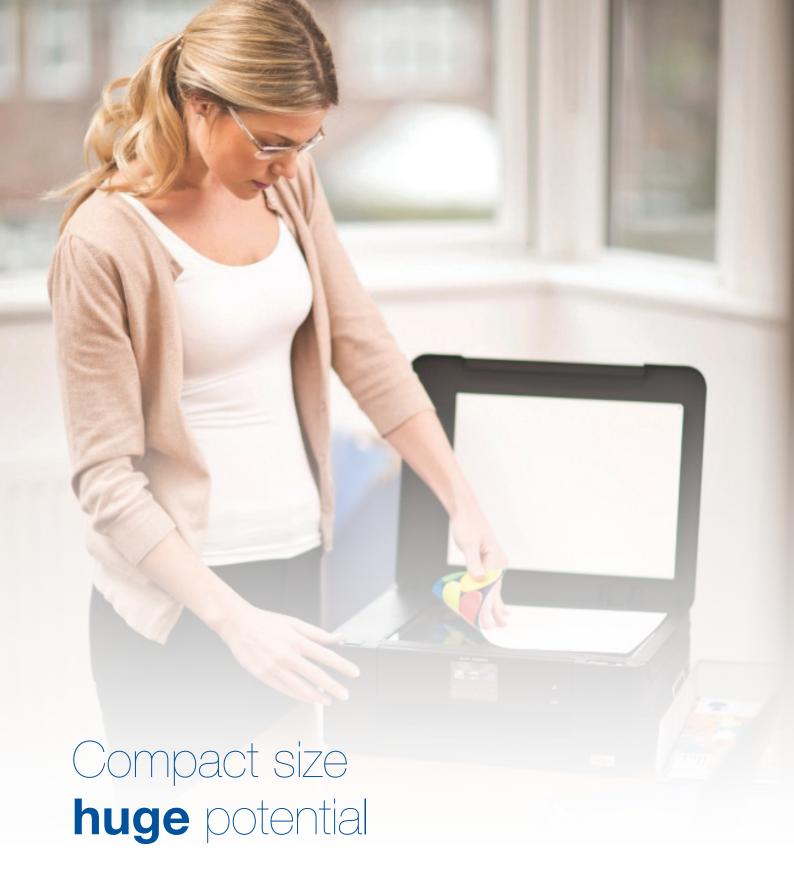

The all-in-one inkjet to suit modern office needs

Offering a wide variety of printing features including wireless connectivity and 2-sided printing – all packed into a compact size – this new Brother inkjet series is the ideal choice for all your office printing needs.

Introducing...
the **DCP**-J562DW

DCP-J562DW

The DCP-J562DW offers print, copy and scan capabilities in a compact machine footprint and a wide variety of features to suit your every need:

Wireless

Easily connect and share across your existing wireless network.

Mobile

Use the iPrint&Scan app, Apple AirPrint or Google Cloud Print to print and scan straight from your iPhone, iPad, Android device or Windows Phone.

LCD touchscreen

Navigate the simple to use menu system via the large 6.8cm LCD touchscreen display.

Cost effective printing

High yield ink cartridges capable of printing up to 550* black and 550* colour prints, combined with other cost-saving features like 2-sided printing and ink save mode help to lower your total cost of ownership.

Technical Specifications

The compact DCP-J562DW utilises wireless connectivity to make it easy to connect to for scanning or printing. With 2-sided printing and individual ink cartridges that deliver up to 550 pages* (black and colour) to help save on printing costs, the DCP-J562DW is an ideal device for any home or home office environment.
