ADVANCED FEATURES

## BLANK PAGE DETECTION

When scanning a batch of documents the ADS-2600W will detect and remove any blank pages to save time and space whilst archiving.

AUTO DESKEW

To ensure that all your documents are scanned as they should be the ADS-2600W automatically corrects any skewed documents that are fed into the machine.

ULTRASONIC MULTI-FEED DETECTION

To prevent more than one document being scanned at one time the ADS-2600W uses ultrasonic multifeed detection that ensures no documents are missed.
