

Unrivalled Simplicity

Scan, save & share with
Brother network scanners

www.brother.eu

Simple and powerful scanning

In today's fast-moving business world, converting paper documents into digital content is often an essential process. Brother's desktop scanners provide a simple and efficient way to digitise and share information.

Scanning has just got easier...

Transforming a physical document to a digital file doesn't get much simpler. Whether scanning A4 documents mixed with business cards, receipts for expenses, multi-page contracts or extra-long paper¹, you can be confident that the ADS scanner range from Brother can process all of these with ease.

Effortless, one-touch scan

Your paper documents can be transformed to high-quality digital files at a touch of a button. Scan instantly with up to 48 programmable shortcuts, directly to PC, web, network or USB.

Compact and desktop friendly

Ideal when space is limited, the compact size of this range makes them ideal for back-office use and customer-facing desks in any size business.

Engineered for high performance

Information on the move

Easily capture, store and share your files across different platforms in a wide variety of formats. Instantly make your digital files portable, by scanning your documents directly to an external USB storage device.

Advanced image processing

With the advanced image processing software, blurry or upside-down documents will be automatically corrected, ensuring that your important documents are captured clearly every time.

High Performance

The advanced reverse-roller system makes bulk jobs with mixed paper easy. With a double-sided scan speed of up to 50 pages per minute and business software compatibility, you can be confident that your documents are effortlessly converted to digital files.

High performance wired & wireless network desktop scanner with NFC

- Scan up to 50 pages per minute
- 2-sided scan and advanced image processing
- Create up to 48 shortcuts on large 9.3cm touchscreen
- Effortless to use with one-touch scan
- Scan directly to USB host
- Simple secure login with NFC (Near-Field Communication)
- Secure workgroup sharing
- Wired and Wireless connectivity
- SuperSpeed USB 3.0
- Driver compatibility with TWAIN, ISIS, SANE, WIA and ICA
- Includes ABBYY FineReader Professional software
- Scan up to 5,000 documents a day²

ADS-3600W

**Powerful
desktop
document
scanning**

High speed wired & wireless network desktop scanner with intuitive touchscreen

- Scan up to 40 pages per minute¹¹
- 2-sided scan and advanced image processing
- Create up to 48 shortcuts on large 9.3cm touchscreen
- Effortless to use with one-touch scan
- Scan directly to USB host
- Simple secure login with 4-digit PIN
- Secure workgroup sharing
- Wired and Wireless connectivity
- Driver compatibility with TWAIN, ISIS, SANE, WIA and ICA
- Includes ABBYY FineReader Sprint software
- Scan up to 3,000 documents a day²

ADS-2800W

High performance wired network desktop scanner with SuperSpeed USB 3.0

- Scan up to 50 pages per minute
- 2-sided scan and advanced image processing
- Scan directly to USB host
- Wired connectivity
- SuperSpeed USB 3.0
- Driver compatibility with TWAIN, ISIS, SANE, WIA and ICA
- Includes ABBYY FineReader Professional software
- Scan up to 5,000 documents a day²

ADS-3000N

High speed wired network desktop scanner

- Scan up to 40 pages per minute¹¹
- 2-sided scan and advanced image processing
- Scan directly to USB host
- Driver compatibility with TWAIN, ISIS, SANE, WIA and ICA
- Includes ABBYY FineReader Sprint software
- Scan up to 3,000 documents a day²

ADS-2400N

Powerful imaging software and drivers

ABBYY®

ABBYY FineReader Professional

Award winning OCR (Optical Character recognition) software. Designed to end the retyping and reformatting of documents.

ABBYY FineReader Sprint

Quickly convert scanned documents into editable formats including Microsoft Word and Excel.

ABBYY PDF Transformer+

ABBYY PDF Transformer+ allows you to quickly create, read, convert, comment, edit, password protect and share PDF documents.

NUANCE

Nuance PaperPort SE 14

PaperPort enables you to scan documents store, view, edit and convert the digital files via one simple, powerful program.

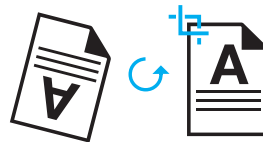

**Kofax
VRS
CERTIFIED**

The full range is certified to be used with document capture experts Kofax VRS® Elite 5.1 and Kofax Express 3.1 software.

TWAIN, ISIS, WIA, ICA and SANE drivers

These essential drivers ensure effortless integration into document management systems and imaging solutions across Windows, Mac and Linux operating systems.

Paper detection processing

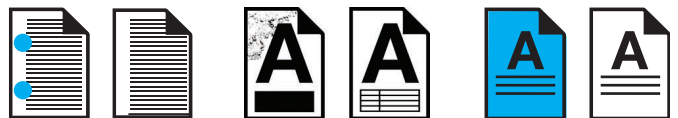

These key features detect the correct dimensions of the pages and amends the files so the user doesn't have to edit manually or rescan. Range features include: Auto Deskew, Auto Image Rotation, Detect End of Page.

Page control processing

Digital files are made easy to share with file optimisation - any blank pages that are scanned are removed and file sizes are reduced. Range features include: Skip Blank Page, Multi-feed Detection.

Image quality processing

Advanced image processing ensures scanned documents are captured accurately, reducing file size for sharing and generating high-quality documents for effortless reading. Range features include: Punch Hole Removal, Despeckle, Colour Drop.

iPrint&Scan

Save time by using iPrint&Scan, your physical documents can be scanned and saved directly to the cloud from your desktop or mobile device.

			✓	✓	MacOS: ABBYY® FineReader Sprint v.12, Remote Set-up, iPrint&Scan for Desktop ³ /Mobile ⁵ Drivers - TWAIN, ICA
Security Features					
✓			✓		Active Directory, Secure Function Lock, LDAP Authentication, Setting Lock

1. For best performance it is recommended to use a carrier sheet for the following weights: 27-39 gsm

2. Maximum number of scanned pages per day can be used to compare designed durability between like Brother products. For maximum scanner life, it is best to choose a scanner with a duty cycle that far exceeds your scan requirements

3. Optional free download from the Brother Solutions Centre <http://solutions.brother.com>

4. All available with supplied software

5. Some options may require additional download or subscription

6. Capacity varies dependent on paper weight

7. Document sizes larger than A4, but not exceeding A3, can be scanned (single-side) using carrier sheet

8. Must be web connected

9. Windows® only

10. Can scan documents longer than A4 size. When using Brother (TWAIN/ISIS) to scan at 200dpi, the maximum scanning length is 5,000 mm

11. With the latest firmware update.

The latest firmware can be downloaded at: <http://support.brother.com>
