HL-2270DW Compact Mono Laser Printer with Automatic 2-sided Printing and Wireless Networking

Fast, high-quality printing

Printing up to 26 pages per minute, with the HL-2270DW you can produce professional documents in no time. Thanks to the high print resolution you'll get sharp, crisp text and accurate reproduction of even the finest details on the page.

Excellent value for money

The HL-2270DW comes with a full 1,200-page toner included in the box, and you can choose between standard and high toner yield to perfectly match how many pages you print and save money. All Brother supplies, including the drum, can be replaced individually, reducing your cost as you only pay for what you've really used. Save money by printing on both sides of the paper.

Easy to use and helping you be efficient

Easily connect the HL-2270DW to your existing wireless or wired network to share it among several users, a flexible and space-saving solution that will reduce clutter in your office. This mono laser printer is low maintenance with a generous 250-sheet tray. You can use the manual feed slot for hassle-free printing on envelopes, special paper and labels.

Environmentally-friendly

The HL-2270DW's ENERGY STAR certified energy efficiency means you can reduce your power consumption. Moreover, you can return your empty toner cartridges to Brother for recycling free of charge. The HL-2270DW carries Germany's prestigious Blue Angel accreditation thanks to its exceedingly low impact on the environment.
