Print, Copy, Scan & Fax

With high quality print, copy, scan and fax functionality at your fingertips, there isn't anything the MFC-J491DW can't help you with in your home or small office.

Connectivity

With wireless connectivity, the MFC-J491DW makes it easier to share your device and files with others. It's never been easier to print on-the-go – you can print directly from your mobile or tablet device.

€ Cost effective printing

Maximise the cost-effectiveness of your MFC-J491DW - choose from a range of affordable standard or high yield genuine Brother ink cartridges. Also, due to its 4-cartridge ink system (you only replace the empty cartridge) and auto 2-sided print function, you'll be spending less on ink and paper.

Paper handling options

As well as an enclosed 100 sheet standard paper tray, the MFC-J491DW comes fully equipped with a 20 sheet Automatic Document Feeder (ADF) which helps you to scan and copy multi-page documents whilst completing other tasks around the home or office.

Fits in the smallest of home offices

The missing piece to your home or small office

For offices with space limitations, but high print expectations, the MFC-J491DW is the ideal solution. This machine is packed with features and functions to make your life easier - all in its cleverly compact design.
